COOKIE POLICY

What are cookies?

Cookies are small text files sent from the websites to the terminal of the party concerned (usually the browser), where they are stored before being referred back to the website upon the same user's next visit. A cookie cannot retrieve any other data from your hard drive, pass on computer viruses or capture email addresses. Each cookie is unique to the user's web browser.

Technical cookies

Technical cookies are used on our website to give users a better browsing service and experience.

Third-party" cookies

Third-party cookies are code parts set by a website different than the website you are currently browsing. This involves the transmission of cookies from third parties. Management of information collected from "third parties" is governed by the relative information notices to which we ask you to refer.
This website uses the following third-party cookies:

Facebook widget, Twitter widget, Google+ widget, Google font, Google Maps widget.

For greater transparency and for convenience, we provide the information on the types of cookies used by third party service providers, purposes, retention period and the third parties who retain and access the information on our websites:

Facebook informativa: https://www.facebook.com/help/cookies/
Facebook (setting): enter your account, privacy area
Twitter informative: https://support.twitter.com/articles/20170514
